## INDEPENDENT AUDITORS' REPORT

Board of Directors  
Make-A-Wish Foundation® of New Hampshire  
Manchester, New Hampshire

We have audited the accompanying financial statements of Make-A-Wish Foundation® of New Hampshire, which comprise the statements of financial position as of August 31, 2021 and 2020 and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditors' Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Board of Directors  
Make-A-Wish Foundation® of New Hampshire

***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Make-A-Wish Foundation® of New Hampshire as of August 31, 2021 and 2020, and change in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**MAKE-A-WISH FOUNDATION® OF NEW HAMPSHIRE**  
**NOTES TO FINANCIAL STATEMENTS**  
**AUGUST 31, 2021 AND 2020**

**NOTE 1 ORGANIZATION**

Make-A-Wish Foundation® of New Hampshire (the Foundation) is a New Hampshire nonprofit corporation, organized for the purpose of creating life changing wishes for children with critical illnesses. The Foundation is an independently operating chapter of Make-A-Wish Foundation® of America (National Organization), which develops and implements national programs in public relations and fundraising for the benefit of all local chapters. To be a Make-A-Wish chapter, the local chapter is obligated to comply with a chapter agreement with the National Organization and such guidelines, resolutions, and policies as may be adopted by the National Organization's board of directors.

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Presentation**

The financial statements of the Foundation are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) applicable to nonprofit entities.

**Cash and Cash Equivalents**

The Foundation considers all highly liquid investments with an original maturity of three months or less when purchased to be cash equivalents.

**Investments**

Investments are recorded at fair value. Investment income, including gains and losses on investments, is recorded as increases or decreases in net assets without donor restrictions unless its use is limited by donor-imposed restrictions or law.

The Foundation's investments are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investments, it is reasonably possible that those changes in the values of investments will occur in the near term and that such changes could be material to the amounts reported in the statements of financial position.

**Contributions Receivable**

Contributions receivable are unconditional promises to give. Such promises that are expected to be collected within one year are recorded at expected net realizable value when the promise is received. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of estimated future cash flows. Contributions receivable are discounted using fair value rates and contributions are written off when deemed uncollectible.

**MAKE-A-WISH FOUNDATION® OF NEW HAMPSHIRE**  
**NOTES TO FINANCIAL STATEMENTS**  
**AUGUST 31, 2021 AND 2020**

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Property and Equipment, Net**

Property and equipment having a unit cost greater than \$1,000 and a useful life of more than one year are capitalized at cost when purchased. Donated assets are capitalized at the estimated fair value at the date of receipt and restrictions are released once the asset has been placed into service. Property and equipment under capital leases are stated at the present value of future minimum lease payments at the time of acquisition. Depreciation on property and equipment is provided on a straight-line basis over the estimated useful lives of the assets, generally 3 to 10 years. Leasehold improvements are amortized over the shorter of the estimated useful life of the asset or the remaining terms of the lease. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend its life are expensed as incurred.

Long-lived assets, such as property and equipment, are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. If circumstances indicate a long-lived asset may be impaired, the asset value will be reduced to fair value. Fair value is determined through various valuation techniques including quoted market values and third-party independent appraisals, as considered necessary.

**Fair Value Measurements**

Fair value measurements of financial assets and financial liabilities and fair value measurements of nonfinancial items are recognized or disclosed at fair value in the financial statements on a recurring basis. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Foundation utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs to the extent possible. The Foundation determines fair value based on assumptions that market participants would use in pricing an asset or liability in the principal or most advantageous market. When considering market participant assumptions in fair value measurements, the following fair value hierarchy distinguishes between observable and unobservable inputs, which are categorized in one of the following levels:

*Level 1* – Unadjusted quoted prices in active markets for identical assets (or liabilities) that the reporting entity has the ability to access at the measurement date.

*Level 2* – Prices for a similar asset (or liability), other than quoted prices included in Level 1 inputs, that are observable for the asset (or liability), either directly or indirectly. If the asset (or liability) has a specified term, a Level 2 input must be observable for substantially the full term of the asset (or liability).

*Level 3* – Unobservable inputs for the asset (or liability) used to measure fair value to the extent that observable inputs are not available, thereby allowing for situations in which there is little, if any, market activity for the asset (or liability) at measurement date.

**MAKE-A-WISH FOUNDATION® OF NEW HAMPSHIRE**  
**NOTES TO FINANCIAL STATEMENTS**  
**AUGUST 31, 2021 AND 2020**

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Net Assets**

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor- or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

"

*Net Assets Without Donor Restrictions* – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

*Net Assets With Donor Restrictions* – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as restricted revenue when received and released from restriction when the assets are placed in service. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Contributions restricted by donors are reported as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as Net Assets Released from Restrictions.

**Revenue Recognition**

Revenue is recognized on the accrual basis and generally consists of contributions, special event revenue, in-kinds and other income.

Special event revenue consists of registrations, sponsorships and other contributions.

Unconditional promises to give are recognized initially at fair value as contributions revenue in the period such promises are made by donors. Fair value is estimated giving consideration to anticipated future cash receipts (after allowance is made for uncollectible contributions) and discounting such amounts at a risk-adjusted rate commensurate with the duration of the donor's payment plan. Amortization of the discounts is recorded as additional contributions revenue.

Conditional promises to give are not recognized as contribution revenue and receivables until the conditions have been substantially met. For the years ended August 31, 2021 and 2020, there were no conditional promises outstanding.

**NOTES TO FINANCIAL STATEMENTS**  
**AUGUST 31, 2021 AND 2020**

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Revenue Recognition (Continued)**

Contributions of assets other than cash are recorded at their estimated fair value. Contributions of services are recognized if the services received (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation.

The Foundation received in-kind contributions of assets and services and materials that are reported in the statements of activities as follows:

Advertising and media is used to help the Foundation communicate its message or mission and includes fund raising materials, informational material, or advertising, and may be in the form of an audio or video tape of a public service announcement, a layout for a newspaper, media time or space for public service announcements, or other purposes.

Donated advertising and media is reported as contribution revenue and fundraising or public information expense when received and the reporting of such contributions is unaffected by whether the Foundation could afford to purchase or would have purchased the assets at their fair value.

**NOTES TO FINANCIAL STATEMENTS**  
**AUGUST 31, 2021 AND 2020**

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Income Taxes**

The Foundation is a nonprofit organization exempt from federal income and New Hampshire income and franchise taxes under the provisions of Internal Revenue Code (IRC) Section 501(c)(3) and Section RSA77 of the New Hampshire Department of Revenue Administration. However, the Foundation remains subject to income taxes on any net income that is derived from a trade or business, regularly carried on and not in furtherance of the purpose for which it was granted exemption. No income tax provision has been recorded as the net income, if any, from any unrelated trade or business, in the opinion of management, is not material to the financial statements taken as a whole. Management believes that no uncertain tax positions exist for the Foundation at August 31, 2021 and 2020. The Foundation files income tax returns in the U.S federal jurisdiction, and applicable state jurisdictions.

**Functional Expenses**

The Foundation performs four functions: wish granting, program-related support, fundraising, and management and general. Definitions of these functions are as follows:

**Wish Granting and Program Related Support**

Activities performed by the Foundation in granting wishes to children with critical illnesses, the implementation of programs supporting identification of wish candidates and the determination and delivery of each wish. Specific activities include, but are not limited to, the development of wish resources, handling of wish referrals, administration of the wish program, and communicated the purpose and services of the Foundation of all potential wish referrals.

**Fundraising**

Activities performed by the Foundation to generate funds and/or resources to support its programs and operations. During the fiscal years ended August 31, 2021 and 2020, the Foundation incurred no significant joint costs for activities that include fundraising appeals.

**Management and General**

All costs not identifiable with a single program or fundraising activity, but indispensable to the conduct of such programs and activities and to the Foundation's existence, are included as management and general expenses. This includes expenses for the overall direction of the Foundation, business management, general recordkeeping, budgeting, financial reporting, and activities relating to these functions such as salaries, rent, supplies, equipment, and other expenses.

Expenses that benefit more than one function of the Foundation are allocated among the functions based generally on the amount of time spent by employees on each function.

**Deferred Rent**

The Foundation accounts for rent expense evenly over the term of the lease using the straight-line method. The unamortized deferred rent was \$2,961 and \$4,659, respectively at August 31, 2021 and 2020.

**Management Estimates**

The preparation of financial statements in conformity with U.S. GAAP requires management to make a number of estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Change in Accounting Principle**

In May 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2014-19, *Revenue from Contracts with Customers (Topic 606)*. Subsequent to May 2014, the FASB issues six ASUs to clarify certain matters related to Topic 606. Topic 606 supersedes the revenue recognition requirements in FASB ASC 605, *Revenue Recognition*, and requires the recognition of revenue when promised goods or services are transferred to customers in an amount that reflects the consideration to which an entity expects to be entitled in exchange for those goods or services. The updates address the complexity of revenue recognition and provide sufficient information to enable financial statements users to understand the nature, amount, timing, and uncertainty of revenue and cash flows arising from contracts with customers. The Foundation's financial statements reflect the adoption of ASU 2014-09 guidance beginning in fiscal year 2021. The adoption of 2014-09 did not impact the Foundation's reported revenue.

In August 2018, the Financial Accounting Standards Board issued Accounting Standards Update (ASU) 2018-13, Fair Value Measurement (Topic 820) – *Changes to the Disclosure Requirements for Fair Value Measurement*. The update is to improve the effectiveness of disclosures in the notes to the financial statements. The Foundation's financial statements reflect adoption of ASU 2018-13 guidance beginning in for the year-ended August 31, 2021 and retrospectively applied for the year-ended August 31, 2020. The adoption of ASU 2018-13 did not impact the Foundation's reported change in net assets.

**NOTE 3 LIQUIDITY AND AVAILABILITY**

The Foundation monitors liquidity regularly through the monthly financial package provided to the board and through the enterprise-wide Benchmarks of Excellence. Holding 6 to 24 months of liquidity is considered excellent based off the enterprise-wide published scale.

	<u>2021</u>	<u>2020</u>

Financial Assets Available to Meet Cash Needs for General Expenditures Within One Year	<u>\$ 3,619,709</u>	<u>\$ 2,677,831</u>

Financial assets include cash and cash equivalents, investments, due from related entities, contributions receivable, and investments held for long-term purposes. For purposes of analyzing resources available to meet general expenditures over one year, the Foundation considers all expenditures related to its ongoing program activities, as well as the functions in support of those activities, to be general expenditures.

**NOTE 4 FAIR VALUE MEASUREMENTS**

**Fair Value of Financial Instruments**

Fair value is defined as the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair values of the financial instruments shown in the following tables as of August 31, 2021 and 2020 represent the amounts that would be received to sell those assets or that would be paid to transfer those liabilities in an orderly transaction between market participants at that date. Those fair value measurements maximize the use of observable inputs. However, in situations where there is little, if any, market activity for the asset or liability at the measurement date, the fair value measurement reflects the Foundation's own judgments about the assumptions that market participants would use in pricing the asset or liability.

Those judgments are developed by the Foundation based on the best information available in the circumstances, including expected cash flows and appropriately risk-adjusted discount rates, and available observable and unobservable inputs.

**Investments**

Overall Investment Objective

The overall investment objective of the Foundation is to invest its assets in a prudent manner that will achieve a long-term rate of return sufficient to fund a portion of its annual operating activities and increase investment value after inflation. The Foundation diversifies its investments among various asset classes incorporating multiple strategies and managers. Major investment decisions are authorized by the board's audit and finance committee or the board of directors, which oversees the Foundation's investment program in accordance with established guidelines.

**Fair Value Hierarchy (Continued)**

For the valuation of the split-interest agreement at August 31, 2021, the Foundation used significant unobservable inputs such as present value of expected future amount to be received (Level 3). There were no changes in valuation techniques and related inputs from the prior year.

There are no purchases, sales, transfers in and transfers out of Level 3 investments for both years ended August 31, 2021 and 2020.

**NOTE 5 CONTRIBUTIONS RECEIVABLE**

Contributions receivable include pledges that have been discounted at rates ranging from 0.75% to 1.93% for both years ended August 31, 2021 and 2020. The following is a summary of the Foundation's contributions receivable at August 31:

**NOTE 6 SPLIT-INTEREST AGREEMENT**

**Beneficial Interest in Net Assets Held by Others**

Donors have contributed assets to the National Organization in exchange for a promise by the National Organization to pay a fixed amount for a specified period of time to the donor or to individuals designated by the donor. Under the terms of such agreements, no trust exists, as the assets received are held by and the liability is an obligation of the National Organization. The National Organization records contribution revenue using the fair value of the assets less the present value of the payments expected to be made to the beneficiaries. The Foundation is named as a beneficiary in one of these agreements. Accordingly, temporarily restricted contribution revenue and the related assets are recognized at fair value in the period in which the Foundation received notice that the agreement conveys an unconditional right to receive benefits. Subsequent changes in the value of the underlying assets are recorded in the accompanying statement of activities as the change in value of beneficial interest in assets held by others.

**NOTE 7 TRANSACTIONS WITH RELATED ENTITIES**

The National Organization conducts national fundraising efforts for which cash and in-kind donations are received and shared with the Foundation. These funds represent revenues associated with distributions from national partners, individual donation amounts collected via online and white mail donations, amounts for internal grants, travel, and training scholarships, amounts to fund the Adopt-A-Wish® program, and other miscellaneous revenues.

The Foundation received the following distributions from the National Organization for the years ended August 31:

	2021	2020
Corporate, Online, Whitemail, and General Contributions	\$ 274,779	\$ 249,348
Grants	1,000	1,000
Wishes Forever Fund	7,665	11,350
Total Distributions Received	<u>\$ 283,444</u>	<u>\$ 261,698</u>

These amounts are recorded in the statements of activities as public support revenue.

The Foundation paid to the National Organization the following amounts for the years ended August 31:

	2021	2020
Partnership Dues	<u>\$ 186,164</u>	<u>\$ 210,661</u>

Chapters who assist with the organization and granting of wishes from other chapters are paid a “fee for service” called the wish assist fee. Under this program, the originating chapter agrees to pay a fee to the chapter of the wish destination to assist with any planning, booking, and facilitating of the wish for the home chapter. Under this program, the Foundation received \$1,200 and \$300, respectively, for the years ended August 31, 2021 and 2020, which is recorded in the accompanying statements of activities as other income.

Due to Other Chapters	\$ -	\$ 173,195
Total Due to Related Entities	<u>\$ -</u>	<u>\$ 173,195</u>

Amounts due from the National Organization represent contributions remitted to the National Organization that are identified for the Foundation's use but were not yet transferred to the Foundation as of year-end. Amounts due from other chapters represent amounts paid in assisting other chapters with their wish granting. Amounts due to other chapters represent amounts owed to other chapters who have assisted in the granting of wishes for the Foundation.

During the years ended August 31, 2021 and 2020, the Foundation received contributions, both cash and in-kind, from board members totaling \$19,156 and \$45,817, respectively. At August 31, 2021 and 2020, amounts due from board members totaled \$16,750 and \$81,633, respectively, and are included in contributions receivable in the accompanying statements of financial position. Amounts paid to related parties for goods and services used in the Foundation's operations totaled \$657 and \$2,866 for the years ended August 31, 2021 and 2020, respectively.

**NOTE 11 RETIREMENT PLAN**

The Foundation has a defined contribution retirement plan (the Plan). Employees are eligible for participation in the Plan after reaching 21 years of age and upon completion of six months of service. Under the provisions of the Plan, eligible employees may elect to defer a percentage of their salary subject to certain IRC limitations. The Foundation matches employee contributions up to \$5,000 per plan year. Foundation contributions to the Plan for the years ended August 31, 2021 and 2020 were \$34,600 and \$26,050, respectively.

**NOTE 12 CONCENTRATIONS OF CREDIT RISK**

Financial instruments that potentially subject the Foundation to concentration of credit risk consist principally of cash, cash equivalents, and investments. The Foundation places its cash and investments with high credit quality financial institutions and generally limits the amount of credit exposure not to exceed the Federal Deposit Insurance Corporation (FDIC) insurance coverage limit of \$250,000. From time to time throughout the year, the Foundation's cash balances may exceed the amount of the FDIC insurance coverage.

**NOTE 13 LITIGATION AND CLAIMS**

The Foundation is periodically involved in litigation and claims arising in the ordinary course of business. In the opinion of management, there is no pending litigation that would have a material adverse effect on the Foundation's financial position, change in net assets, or liquidity.

**NOTE 14 COMMITMENTS**

The goal of the Foundation is to grant the wish of every eligible child. During the years ended August 31, 2021 and 2020, the Foundation granted 45 and 55 wishes, respectively. As of August 31, 2021 and 2020, respectively, there were approximately 95 and 100 wish children who are eligible for a wish. The average cost of a wish for the year ended August 31, 2021 was \$10,263 in cash and \$1,530 in in-kind for a total cost of \$11,793. The average cost of a wish for the year ended August 31, 2020 was \$9,103 in cash and \$4,627 in in-kind for a total cost of \$13,730.

**NOTE 15 RISKS AND UNCERTANITIES**

In December 2019, an outbreak of a novel strain of coronavirus (COVID-19) began. On March 10, 2020, in conjunction with the Make-A-Wish America National Medical Advisory Council, Make-A-Wish America issued instructions to pause travel and large gathering wishes until deemed medically safe for our vulnerable population and their families. On March 11, 2020, the World Health Organization characterized COVID-19 as a pandemic.

As of August 31, 2021, with the exception of regional travel, travel wishes are still paused. Prior to fiscal year 2020, travel wishes have been approximately 76% of wishes granted and the number of granted wishes averaged approximately 80. The number of wishes granted during the years ended August 31, 2021 and 2020 was 45 and 55, respectively.

The Foundation continues to evaluate all expenses and fundraising efforts in light of the impact of COVID-19. National efforts are underway to return to wish granting and fundraising efforts when it is deemed medically safe.

**NOTE 16 PAYCHECK PROTECTION PROGRAM**

The Foundation applied for and was approved a \$142,383 loan under the Paycheck Protection Program created as part of the relief efforts related to COVID-19 and administered by the Small Business Administration. The loan was received on April 22, 2020. The loan accrues interest at 1%, but payments are not required to begin for six months after the funding of the loan. Subsequent to this, the law changed the loan deferral terms retroactively. The PPP Flexibility Act and subsequent regulations supersede the loan agreement. The Foundation is eligible for loan forgiveness of up to 100% of the loan, upon meeting certain requirements. The loan is uncollateralized and is fully guaranteed by the federal government. The Foundation received forgiveness of \$142,383 on April 1, 2021.

Under the second round of Paycheck Protection Program funding, the Foundation applied for and was approved for an additional \$147,600 loan. The loan was received on January 25, 2021. The loan accrues interest at 1%, with the first 10 months of interest deferred, has a term of five years and is unsecured and guaranteed by the Small Business Administration. The Foundation is eligible for loan forgiveness of up to 100% of the loan, upon meeting certain requirements.

The SBA may review funding eligibility and usage of funds for compliance with program requirements based on dollar thresholds and other factors. The amount of liability, if any, from potential noncompliance cannot be determined with certainty; however, management is of the opinion that any review will not have a material adverse impact on the Foundation's financial position.

**NOTE 17 SUBSEQUENT EVENTS**

The Foundation has evaluated subsequent events from the statement of financial position date through January 24, 2022, the date at which the financial statements were available to be issued.
